

Riddle Me This: 2nd-3rd

These math riddles for 2nd and 3rd graders build on early numeracy and start to incorporate logic, sequence, and language-based problem solving. They're great for centers, morning work, or group challenges.

This month's riddles are designed to promote creative thinking while reinforcing key grade-level skills in a fun, approachable way.

Activity 1: Number Sense Riddles

Activity 2: What Am I? Math Vocabulary

Activity 3: Logic Puzzles with Sudoku

Activity 4: Time Talks

Activity 5: Math Maze - Place Value Practice

Activity 6: Crack the Code Algebraic Thinking
